

# Standard Unwinding Direction Roll Chart

## Example-

Examples are provided below. Please call your Flair customer support or sales representative if you have questions.

For the example above, the possible unwind directions would be 1 or 2 (if sealant in) or 5 or 6 (if sealant out).

If an arrow is added to the artwork layout such as shown in the above example, then the unwind direction could be determined as 1 (if sealant in) or 5 (if sealant out).

## Eye mark size/position

Please indicate (draw with black ink pen) 'Eye Mark' position(s) **per impression** on the appropriate diagram pictured at left.

**Please circle the correct number with 'eye mark' position drawn in. Sign and send a copy to Flair.**
